

DG4G CAPABILITY STATEMENT

COMPANY OVERVIEW

dg4G® sells hygiene products formulated to naturally protect, repair and replenish skin. Our products create a head-to-toe skin hygiene barrier rich in essential oils, vitamins and minerals that naturally balance the skin's pH level. The unique invis-**O**-bond® technology delivers a light, invisible moisturizing shield that covers, protects, and deeply rejuvenates the skins surface for hours. We combine hygiene and bio-science into one natural and revolutionary health care and skin remediating solution.
